

NEW SPORTSFIELD

Address: 41 Street 65001 Reitvallei, Fredville,
Inchanga
Ward: 4
Client: PRCC
Contract Period: Jan 2018- July 2019
Contract Value: R17million

Project description of approx 200 words.

The brief called for a sports field facility that includes soccer field, seating area, 3 combination courts, offices, caretakers flat, outdoor gym and parking.

Pupils and the surrounding residents will be able to access the facility during and after normal working hours encouraging the youth to engage in sport to keep fit and healthy.

This public facility is planned for on the remainder of an existing school site. This proximity to the sports field would serve the schools needs for all their sporting activities.

This project has been made possible through the adoption of a Memorandum of Understanding between the Public Works and eThekweni Municipality.

The soccer field will be of competition standard and will be fitted with suitable flood lights. This will also encourage tournaments to be planned here taking the games to the rural communities.
